(Doc. 6.)¹ Petitioner appears to attack a conviction obtained in the Superior Court of Emmanuel County, Georgia. Additionally, the Petitioner appears to be indigent; therefore, the Court GRANTS Petitioner leave to proceed *in forma pauperis* subject to objection.

IT IS HEREBY ORDERED that Respondent make answer in writing to the allegations of the petition by filing same with the Clerk of this Court within sixty (60) days after service of this Order. The answer must comply with Rule 5, 28 U.S.C. § 2254. Specifically, the answer shall include the following:

- 2) transcript of Petitioner's state habeas corpus hearings;
- 3) copy of the decision of the state habeas courts; and,

¹ Petitioner also filed a Notice for Dismissal Pursuant to the Interstate Agreement on Detainers Act. (Doc. 8.) Petitioner essentially asks this Court to "demand dismissal of the detainer." (*Id.* at p. 3.) To the extent Petitioner's Notice can be deemed a motion, the Court **DISMISSES AS MOOT** Petitioner's demand, as there is no detainer in this action.

- 4) if the Petitioner appealed from the judgment of conviction or from an adverse judgment or order in a post-conviction proceeding, a copy of the Petitioner's and Respondent's brief on appeal and of the opinion of the appellate court, if any, as to each proceeding.

All of the submitted transcripts shall be certified. Either with the filing of the answer or within fifteen (15) days after the answer is filed, the Respondent shall move for the petition to be dismissed or shall explain in writing to the Court why the petition cannot be adjudicated by a motion to dismiss.

The briefs of law shall be no longer than twenty-five (25) typewritten pages double-spaced on letter-sized paper. Petitioner and Respondent shall refer to specific pages of the trial transcript in which it is contended that constitutional error did or did not occur.

No discovery shall be had by either party without leave of court. Rule 6, 28 U.S.C. § 2254. Unless and until Petitioner demonstrates to this Court that the state habeas court's fact-finding procedure was not adequate to afford a full and fair evidentiary hearing or that the state habeas court did not afford the opportunity for a full, fair, and adequate hearing, this Court's consideration of Petitioner's habeas petition will be limited to an examination of the evidence and other matters presented to the state trial, habeas, and appellate courts.

After the filing of the answer and the motion to dismiss, the Court will then give consideration to the petition and to the answer and will determine whether to grant the writ, deny the writ, or set the matter down for hearing.

Petitioner is cautioned that while this action is pending, Petitioner **shall immediately** inform this Court in writing of any change of address. Failure to do so will result in dismissal of this case, without prejudice.

IT IS FURTHER ORDERED that the Clerk of Court serve a copy of this Order upon the Petitioner.
